Success criteria
-recall facts quickly

Foxes/Badgers
rotate Tuesday
& Wednesday.

LO: to know times table facts up to 12x12

Wednesday:

Times Tables Booklets.

Race against your

partner... Who can finish first?

Maths Games Prompt Cards

Match It

Children sit in a circle so that they can all see each other. Each child needs a small whiteboard and pen. They write a calculation on their board in which the answer is between 0 and 30. They all show their calculation and look for someone else who has the same answer. The first pair to match are the winners.

Try a different range of answers.
Limit calculations to subtraction.

16-6

8+2

Success criteria

-recall facts quickly

- **Work in table groups.**
- **Make all your facts a multiplication.**
- **Try a larger range e.g. 0-50, 0-100 etc.**
- **Each child writes 5 facts so there's greater variety.**
