David's Daily Dilemma

As David can't come in this year to help with maths revision, he has agreed to set you a daily maths challenge.

The answers for each week will appear on the website the following Monday.

Here is his third challenge.

16

2   2

Can you work out how the top number is worked out from the bottom two in each triangle?

25

1   4

Can you find the missing number in the third triangle?
