

16.6.20

Money Matters

LO: To understand that a bargain is not always what it seems

Must: describe what is meant by the word bargain

Should: compare prices of items to determine which are bargains and which are scams

Could: explain what makes each "offer" a bargain or a scam

REAL LIFE MATHS

If you can't do the maths.....

You'll be giving away your money.

Without using a calculator...

Decide if the following slides represent a

Task

- Design your own “offers” for any products of your choice
- Make it difficult for others in the group / your family to determine how much they are being ripped off

Money Matters

Objective: To understand that a bargain is not always what it seems

Must: describe what is meant by the word bargain

Should: compare prices of items to determine which are bargains and which are scams

Could: explain what makes each "offer" a bargain or a scam
