

Bonjour Parents and Carers,

I hope you are staying safe and well.

Over the past few weeks in our French lessons, we have been re-visiting the end of Year 4 topic (body parts).

This is because some children were not able to the home learning that was sent for French, some did a little of it and some did most of it, but need further practice with pronunciation.

For this week, I would like the children to:

1. Log onto Linguascope

www.linguascope.com

Username: brookfrench

Password: lang3456

- Click on the French flag
- Click on 'Beginner'
- Click on 'Moi et ma famille'
- Click on 'Le corps'

Go through the presentation and make sure you have a go at some of the games/activities.

2. Do a Google search for 'Jean petit qui danse' and it will bring up the song/video we learnt last week. Have a go at singing (and dancing as well if you would like to!)

Next week we will be looking at how to say the colours of body parts, so you can start re-capping some colours in French, if you would like something extra to do.

Au revoir for now!

Madame Patel
