

Hello year 3!

Roald Dahl Day!

Here is Roald Dahl!

1916-1990

He is a famous author and is known as the number 1 story teller for children.

Can you find out any extra information about Roald Dahl?

Willy Wonka's factory!

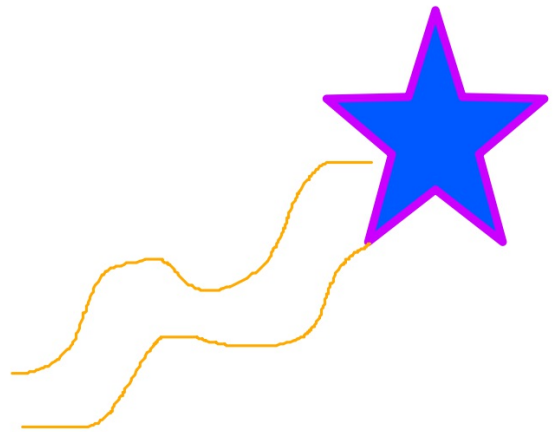

It appears as a chocolate factory,
with "Wonka" written everywhere.
It has red double doors, yellow
walls and a brown space
wherever "Wonka" is written.

Willy Wonka's factory rooms:

Activity 1: Design your own factory map

star room

Challenge:

Write a description of some of your factory rooms

Here is one about Willy Wonka's chocolate room...

Could you write one about one of your rooms in your new factory?

Chocolate Room

Wonka's favourite room, and the most important in the factory. The room is a grassy meadow full of flowers and trees, with a chocolate river mixed by waterfall that pipes into all the other rooms in the factory. Everything in the meadow is edible, and a boat ride down the chocolate river allows transit to other rooms in the factory via a dark tunnel.

Activity 2:

Can you design your own golden ticket for a visit to your new factory?

Activity 3

Design and draw a new character that would work in your factory!

You could draw some of Roald Dahl's too.
