

Personal Learning Base

Riverbank Prospectus

Celebrating

Every

Step

Welcome to the Personal Learning Base

This booklet gives you a bit more information about
the Riverbank.

All of our placements are decided by the Local Authority
and each child gains entrance after an initial visit by the
Head of Unit and then a possible second visit where they
come and spend time within the Riverbank.

Some of you will come to school in transport provided
by Leicestershire County Council's SEN transport
department. The taxis will drop you off to the front door
where you will always be greeted by a member of our
team.

Inclusion in to the mainstream school attached will depend
on the needs of each individual child, taking in to
consideration anxiety levels, need, lessons taught and
cohort.
