

Jelly Frogspawn

Edible Sensory Recipe

You will need:

Green jelly
Raisins
Plastic frogs
Water
A large tub

Method

1. Make up the jelly, as per the instructions on the packet.
2. Drop the raisins into the liquid jelly.
3. Put the jelly in the fridge to set overnight.
4. The following day, tip the jelly into a large container, ready for the children to explore.
5. Add the plastic frogs and some water to the tray
6. Do the children like the feel of the jelly? Can they find the objects?
