

WALT predict
what the story
is about.

I know what a prediction is.
I can make inferences from the
title and pictures.
I can predict what the story
might be about.

This week we are going to be doing some work about this story.

For now, we are going to be predicting what the story might be about.

Look at the cover.

What can you see?

Look at the blurb, what does it say?

Today you are going to be writing a prediction.

You are going to guess what the story is about.

WALT make a prediction.

I think that...

because

I predict that...

Let's watch/read the story to see if we are correct!
