

WALT find out about
clothes in the past

I can find out about the past by looking
at a picture

I can say how it is different to my life now

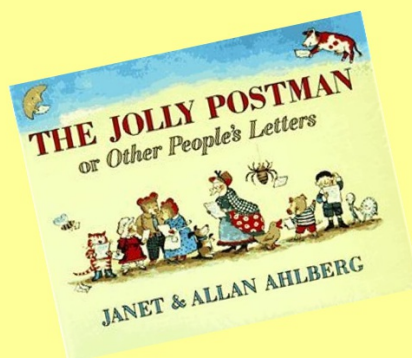

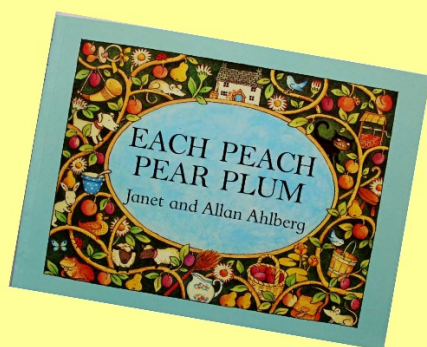

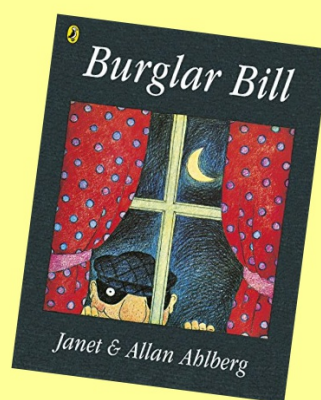

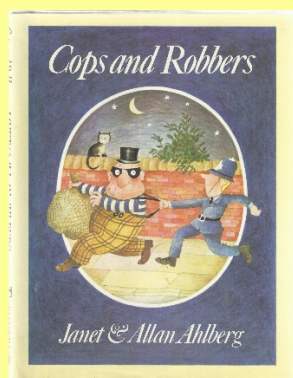

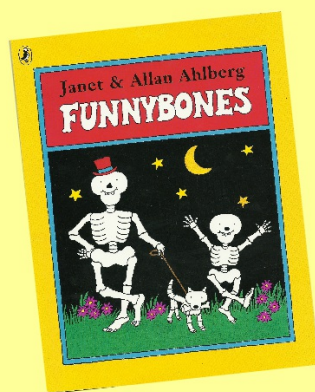

Who remembers this man?

Who could he be?

We learnt that he wrote these books...

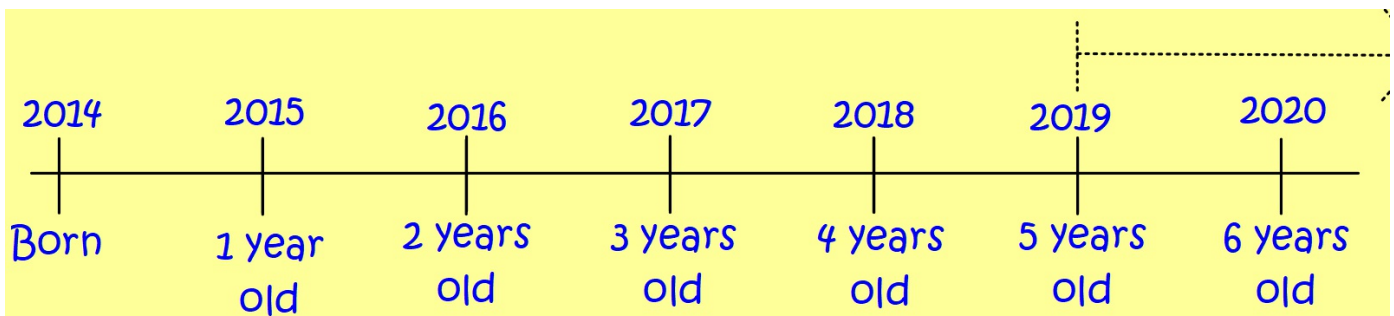

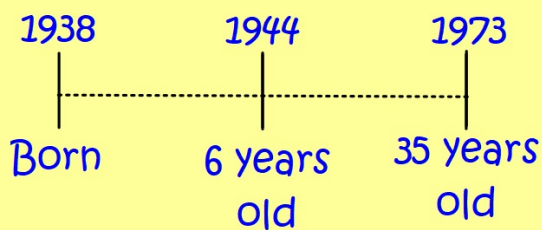

History means
learning about
the past!

Today we are going to be learning about how life was different
when Allan Ahlberg worked in our school!

We are in school in 2020, we probably started in 2018 or 2017.

Allan Ahlberg was Deputy Head Teacher of our school in the 1970s, about 50 years ago!

Children learning in the classroom.

This is a picture of a school in the 1970s.

What do you notice?

What is the same? What is different?

A class photo.

This is a picture of a school in the 1970s.

What do you notice?

What is the same? What is different?

Children watching the television at school.

This is a picture of a school in the 1970s.

What do you notice?

What is the same? What is different?

A staff photograph from a Leicestershire school in the early 1970s.

This is a picture of a school in the 1970s.

What do you notice?

What is the same? What is different?

Men's clothes in the 1970s

These are men's clothes in the 1970s.

What do you notice?

What is the same? What is different?

What do you think Allan Ahlberg wore to school?

We would like you to design an outfit for Allan Ahlberg to wear to school in the 1970s.

Think about:

Tight shirt

Flared trousers

Big collar

Colourful/patterned
