

*WALT identify
vocabulary.*

I know what vocabulary means.

I can spot unfamiliar words.

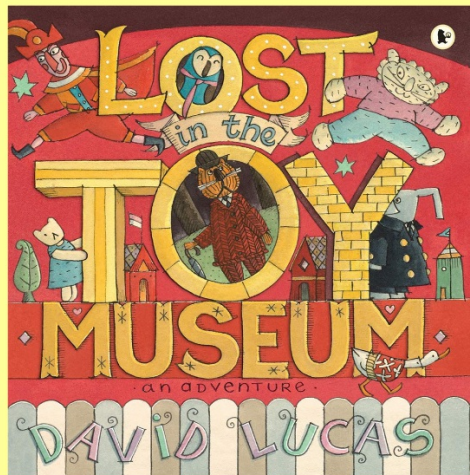

*I can search meanings for
words.*

What does the word
VOCABULARY mean?

It's a fancy way of saying
'words'!

For example: look at your
wonderful vocabulary in
your writing!

Today we are going to read the story of Lost in the Toy Museum.

When we come across a word we don't understand, write it on your whiteboard.

Now that we have read the story and identify new words, we need to find out the meanings!

How could we do that?

look in a dictionary

google it

Let's look up the words together.

Write the definition next to the word on your board!

WALT identify vocabulary we don't know.

Today we read our new story, Lost in the Toy Museum. We wrote a list of words we didn't know the meaning of. As a class we then looked up the definition using a dictionary. A few new words I have learnt are:
