

Is this a number bond to 10?

YES

NO

If you know...

$$9 + 1 = \square$$

$$10 = 7 + \square$$

$$16 + \square = 20$$

$$\square + 10 = 10$$

Then you know...

$$19 + 1 = \square$$

$$20 = 7 + \square$$

$$6 + \square = 10$$

$$\square + 20 = 20$$

Is this a number bond to 20?

YES

NO
