

The figure displays a 4x3 grid of monthly calendars for the year 2023. Each calendar shows the days of the week (Mo, Tu, We, Th, Fr, Sa, Su) and the dates. The months are arranged as follows:

- Row 1:** January, February, March
- Row 2:** April, May, June
- Row 3:** July, August, September
- Row 4:** October, November, December

Each calendar includes a row at the bottom showing moon phases for specific dates. The phases are represented by icons: a solid black circle for New Moon, a half-black/half-white circle for First and Last Quarters, and a white circle for Full Moon. The dates corresponding to these phases are listed below the icons.

Month	New Moon	First Quarter	Full Moon	Last Quarter
January	6	14	21	27
February	4	12	19	26
March	6	14	21	28
April	5	12	19	26
May	4	12	18	26
June	3	10	17	25
July	2	9	16	25
August	1	7	15	23
September	6	14	22	28
October	5	13	21	28
November	4	12	19	26
December	4	12	19	26
