Writing: Writing a diary entry

Activity 1

Look at the flipcharts for the lessons building up to writing a diary entry. There are a few tasks on the flipcharts for you to complete. These tasks will help you to build a picture of the boy and grandad before you write your diary entry.

This is the video that you need to watch:

Activity 2

Write a diary entry from the perspective of either the boy or grandad. If you want you can use the diary template to help you structure your writing.

Remember the key features of a diary entry. A diary entry is a form of **recount** in which the writer explains what has happened to them. At school we wrote a diary entry when we were reading the Vanishing Forest. As a reminder, here's a **checklist** of the key features to use when you write a diary entry.

- Start with 'Dear Diary'.
- **Describe** the places where the events happened.
- Write in the **past tense**.
- Use **pronouns** like I, my and me to show that the events happened to you.
- Talk about how you were **feeling** or what you were **thinking** when each event happened.
- Use **interesting vocabulary**.

Prefixes

Prefixes are groups of letters that are added to the start of words to change their meaning. For example; mis-, dis-, un- and in-.
