<p>Strategies to learn your spellings:</p> <p><b>Rainbow writing:</b> Write over the word repeatedly in the colours of the rainbow so the children learn the pattern (ensure there is a space where the apostrophe is).</p> <p><b>Look at the spelling pattern:</b> What sound do they all make? Can you think of any more words with that same sound that end in "sion"</p> <p><b>Writing:</b> Write a sentence for each of the spelling words.</p> <p><b>Dictionary work:</b> Can you find other examples in the dictionary?</p>	
<p><b>Writing:</b> Watch 'The Marshmallow Monster'. <a href="https://www.youtube.com/watch?v=GwXFVqKuH-w">https://www.youtube.com/watch?v=GwXFVqKuH-w</a></p> <p>Sequencing the story</p> <ul style="list-style-type: none"><li>• What happens at the beginning?</li><li>• What happens in the middle?</li><li>• What happens at the end?</li></ul> <p>Write a sentence to explain what is happening in each picture</p> <p>If you can print out the pictures then you can cut these out and stick them in the correct order on the blank sequence sheet. Don't worry if you can't print them out you can number the pictures in the correct order. You can do this straight into the sheet without printing! You could even draw your own pictures on a blank piece of paper!</p>	

Use these time conjunctions to start your sentences. You can use the same one more than once but make sure you have a variety! The first one is done for you:

- **First, the green, slimy monster swims silently towards the glowing light of the campfire.**
- **Next....**
- **Then...**
- **While...**
- **After...**
- **Finally...**

**Extension: Can you use expanded noun phrases, prepositions and adverbs in your sentences?**

Use a thesaurus to find better words if you can!

### **Grammar:**

Pronouns. Pronouns replace nouns and are short words like it, she, he, you, we, they, us and them.

Watch the BBC lesson on pronouns and work through the activities:
