

French update

Bonjour Year 5 Parents and Carers,

I hope you are keeping safe and well during this unprecedented time.

I thought I would get in touch with more information about the French topic for this term, which would be 'Clothes I wear for different weathers'. As a starting point, your children can re-cap weathers and items of clothing on Linguascope - a reminder of the login details:

Username: brookfrench / Password: br00kfr19.

They can then have a go at writing a few sentences or a short paragraph about this, using some simple conjunctions such as 'et (and)', 'mais (but)' or 'donc (so)'. To give you an idea, this would have sentences in French such as 'It's sunny, so I am wearing a t-shirt, or 'it's cold and I am wearing a jumper' (I am wearing is 'je porte' in French).

They can present this in the style of a Powerpoint, or simply a word document/on paper. This can all be done over the next few weeks, after which I will be back in touch.

Take good care.

Madame Patel
