

Bonjour Parents and Carers,

I hope you are all staying safe and well and that your children got on okay with the activities that were set for Year 5 a few weeks ago. I am getting in touch with another French activity that the Eagles and Falcons can have a go at.

This will be making a French **matching pairs** game (out of paper or card), which:

- Includes different weathers and items of clothing. For example, 'il fait froid' and 'un pull' would be matched together, or 'il fait chaud' and 'un short'.
- Once the children have come up the writing for 4 or 5 different weathers (and corresponding clothes to match), they can also draw pictures and colour them in.
- Finally, the pairs need to be individually cut out and shuffled, ready to be played by someone else and matched up correctly!

Enjoy and take good care of yourselves.
